DATE: October 23, 2019

The City of Doral authorizes the firm of F.R. Aleman and Associates, Inc. to provide professional surveying services for the Traffic Data collection. The scope includes continuous speed counts for seven (7) days along NW 115 Path between NW 82 Street and NW 84 Terrace as described in their proposal dated October 21, 2019. The work should be performed in accordance with the contract provisions contained in the Continuing Professional Services Final Agreement between F.R. Aleman and Associates, Inc. and the City of Doral dated February 26, 2018, and the attached Proposal dated January 2, 2019 and submitted by your firm for the above referenced project.

SCOPE OF SERVICES AND SCHEDULE:

The scope of the project will be as described in the attached proposal from F.R. Aleman and Associates, Inc. for the collection of traffic data along NW 115 Court between NW 82 Street and NW 84 Terrace. The performance of services associated with this Work Order will be executed on a time and material basis not to exceed the amount of \$2,700.00.

You are required by the Continuing Service Agreement to begin work subsequent to the execution of this Work Order, or as directed otherwise. If you fail to begin work subsequent to the execution of this Work Order, the City of Doral will be entitled to disqualify the Proposal, and revoke the award.

This Work Order incorporates the terms and conditions set forth in the Continuing Services Agreement dated February 26, 2018 between the parties as though fully set forth herein. In the event that any terms or conditions of this Work Order conflict with the Continuing Services Agreement, the provisions of this specific Work Order shall prevail and apply.

Work Order is not binding until the City of Doral agrees and approves this Work Order.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and date first above written, in three (3) counterparts, each of which shall, without proof or accounting for the other counterpart be deemed an original Contract.
