

WORK ORDER No. 2 FOR PROFESSIONAL SERVICES

TO: Marlin Engineering Inc.
1700 NW 66th Avenue, Suite 106
Plantation, Florida 33313
(954) 870-5070

DATE: March 17, 2021

The City of Doral authorizes the firm of Marlin Engineering Inc. to provide professional services for design and permitting of the repair protocol for the baseball fields at Doral Legacy Park. Where Marlin Engineering Inc. is a prequalified provider of professional engineering services selected in accordance with Consultant Competitive Negotiation Act (CCNA) requirements and approved by the City Council in October 2020 through Resolution 20-243. The work should be performed in accordance with the contract provisions contained in the Continuing Professional Services Agreement between Marlin Engineering Inc. and the City of Doral dated January 4, 2021, and the attached Proposal dated February 17, 2021 and submitted by your firm for the above referenced project.

SCOPE OF SERVICES AND SCHEDULE:

The scope of the project will be as described in the attached proposal from Marlin Engineering Inc. dated February 17, 2021 for the design and permitting of the repair protocol for the baseball field at Doral Legacy Park. The schedule requires the scope of work to be completed within 6 months of NTP. All limitations of time set forth in this Work Order are of the essence. The performance of services associated with this Work Order will be executed on a time and material basis not to exceed the amount of \$44,857.00.

You are required by the Continuing Service Agreement to begin work subsequent to the execution of this Work Order, or as directed otherwise. If you fail to begin work subsequent to the execution of this Work Order, the City of Doral will be entitled to disqualify the Proposal and revoke the award.

Work Order incorporates the terms and conditions set forth in the Continuing Services Agreement dated January 4, 2021 between the parties as though fully set forth herein. In the event that any terms or conditions of this Work Order conflict with the Continuing Services Agreement, the provisions of this specific Work Order shall prevail and apply. Work Order is not binding until the City of Doral agrees and approves this Work Order.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and date first above written, in three (3) counterparts, each of which shall, without proof or accounting for the other counterpart be deemed an original Contract.

Re: Doral Legacy Park Repair Protocol Design Project

Dear Mr. Collings:

Marlin Engineering, Inc. proposes to provide the services identified below pursuant to the Continuing Services Final Agreement provided by the City of Doral (The City) for Engineering and Architectural services, dated December 16th, 2020.

I. General

The project will consist of the preparation of a set of contract plans repairing the drainage system of the existing baseball field at Doral Legacy Park.

II. Scope of Work

Task 1 – Baseball Field Repair Protocol Design (Paving, Grading, Drainage, Erosion Control, Demolition plans if needed) (SSN Engineering, Inc.)
Refer to attachment for complete scope of services.

Task 2 – Landscape Architecture (Miller Legg and Associates, Inc.)
Refer to attachment for complete scope of services.

Task 3 – Geotechnical Services
Refer to quotation for complete scope of services (American Testing Materials Engineering LLC)

Task 4 – Survey Services
Refer to attachment for complete scope of services (MARLIN Survey)

Task 5 – Project Management/Project Administration/Quality Control Services (MARLIN)

As the prime consultant, Marlin Engineering will provide project management services including coordination between the subconsultants and the City of Doral and that the schedule is achieved. Marlin will manage the subconsultants during the development of the entire component set to assure that they are in conformance with City of Doral and Miami Dade County standards. Marlin will perform quality control and peer review of contract documents.

Subconsultants

The below listed subconsultants will assist in the performance of the Work.

Subconsultant Name	Specialty or Expertise
SSN Engineering	Drainage
Miller Legg and Associates	Landscape Architecture
American Testing Materials Engineering	Geotechnical
MARLIN Survey	Survey

-Deliverable: Refer to attached scope of services for deliverables.

a) Schedule of Work – Time of Performance

Services will be provided in an expeditious and orderly manner to meet the schedule mutually developed by the Client and Consultant for the various elements of the project.

SCHEDULE OF DELIVERABLES			
Task or Activity ID#	Major Task, Sub-Task, Activity, or Deliverables	Duration	Delivery Date
	Survey	TBD	TBD
	Geotechnical Recommendations (Memo)	TBD	TBD
	Contract Set of Plans	TBD	TBD

b) Compensation

Consultant shall perform the work detailed in this Proposal for a Total fee of \$44,857 and 00 cents. The City shall not be liable for any fee, cost, expense or reimbursable expense or other compensation beyond this amount unless approved in a supplemental work order.

SUMMARY OF COMPENSATION			
Task or Activity ID #	Task Name and/or Activity Description	Fee Amount	Fee Basis
1	Contract Set of Plans (SSN)	\$23,197.00	Time and Materials
2	Landscape Architecture Plans (Miller Legg)	\$4,008.00	Time and Materials
3	Geotechnical Services (ATM)	\$2,500.00	Time and Materials
4	Survey Services (MARLIN Survey)	\$8,940.00	Time and Materials
5	Project Management/Administration/QC	\$6,212.00	Time and Materials

c) Additional Services

Additional services and unforeseen circumstances beyond established scope shall be negotiated in good faith and at the sole discretion of the City.

d) Data Provided by the City

The following information or documents are to be provided by the City, if available: As-built information including survey and geotechnical information.

e) Project Manager

Consultant's Project Manager for this Project will be Aysel Freda, P.E.

RE: PROPOSAL FOR DORAL LEGACY PARK REPAIR PROTOCOL DESIGN

To Whom It May Concern:

SSN Engineering, LLC (“SSN”) is pleased to submit this letter agreement (the “Agreement”) to Marlin Engineering, Inc. (“Client”) for professional Civil Engineering Consulting services for the above referenced project. The proposed engineering services will be provided in accordance with the terms and conditions set forth herein.

PROJECT UNDERSTANDING

The proposed scope includes analysis, design, permitting, and construction phase services of existing baseball field. Responsibilities includes re-grading the site per code, adding drainage facilities, and harmonizing the perimeter for drainage.

SCOPE OF SERVICES

SCOPE PART – 1: DATA COLLECTION AND SITE VISITS

SSN Engineering Staff will; Collect and review all available information such as records, maps, aerials, surveys, easements, ROW records, plans, record drawings, and standards that may be pertinent to execution of this project. We will also review all requirements of all agencies having jurisdiction over the project. Review the locations and duration of local ponding. Meet with City of Doral staff to receive input and coordinate project. SSN will collect and review any other information that may have a bearing and impact on the planning, design, approval, permitting, construction, or operation of this project.

SCOPE PART – 2: EVALUATE THE EXISTING SOIL CONDITION

SSN Engineering will evaluate the additional geotechnical boring report by comparing the specification of structural fill. The structural fill to be used above the water table should have a USCS designation of GP, GW, SP, SW, GP-GM, GW-GM, SW-SM, or SP-SM containing less than 12 percent material passing the No. 200 sieve. Based on this comparison, SSN staff will make a recommendation for replacing the existing soil if needed.

SCOPE PART – 3: CONSTRUCTION PLANS

SSN staff will prepare a grading plan (1% slope) with preferred contour method. To capture the runoff at the perimeter, SSN staff will design trench drain along the perimeter. We will adjust all drainage structure grate elevation to match with the proposed grade. We will harmonize the existing sidewalk, entrance, and landscape area within the project area. We will prepare a demolition plan if needed. The construction plans will include Cover sheet, General notes, Paving grading and drainage plans, details, demolition plan and erosion control plan. Engineer’s Probable Cost Estimate will be provided in this phase. The plans will be prepared to a level suitable for permitting.

ADDITIONAL SERVICES

If an unforeseen issue should arise, the Consultant remains available to provide additional services as requested by the Client on the basis of our hourly rates.

INFORMATION PROVIDED BY CLIENT

The following information shall be provided to SSN Engineering, LLC, on which it can rely to complete the scope of services:

- A. Topographic and Boundary Survey of the Site
- B. Landscape plan.
- C. Additional geotechnical boring report.
- D. Signatures on required applications.

SCHEDULE

We will provide our services in an expeditious and orderly manner to meet the schedule mutually developed by the Client and Consultant for the various elements of the project.

FEE AND BILLING

We will provide services outlined above based on time and material fee stated below:

SCOPE PART – 1: DATA COLLECTION AND SITE VISITS	\$ 1,570.0
SCOPE PART – 2: EVALUATE THE EXISTING SOIL CONDITION.....	\$ 1,053.0
SCOPE PART – 3: CONSTRUCTION PLANS	\$ 20,574.0
<hr/>	
TOTAL TIME AND MATERIAL FEE	\$ 23,197.0
ADDITIONAL SERVICES	\$ 120/Hour

If you concur in the foregoing and wish to direct us to proceed with the services, please execute the enclosed copy of this letter agreement in the space provided and return the same to the undersigned. We appreciate this opportunity to submit this letter agreement. Please contact me at (561) 951-3864 if you have any questions.

Sincerely,

SSN ENGINEERING, LLC

**EXHIBIT A – SCOPE OF SERVICES
Doral Legacy Park (the “Project”)**

1.0 PROJECT DESCRIPTION

1.1 The Project is generally described as follows: Consultant shall perform tree inventory and prepare landscape plans for areas disturbed by construction activities related to regarding the southwest portion of the Baseball fields.,

2.0 BASIS OF SCOPE

2.1 Landscape Architecture:

- The reviewing entity is City of Doral for landscape architectural design.
- Irrigation for the Project is limited to repair of damaged irrigation due to construction activities. There is an existing system; water use permitting is not required.
- There are existing trees on site; tree removal is required; the permitting agency is Miami-Dade County.
- Hardscape designs are *not* included. It is anticipated that the existing hardscape design will be repaired if damaged due to construction activities.
- The site plan provided to Consultant shall meet the requirements of the Americans with Disabilities Act (ADA) as it relates to all issues associated with the site (i.e. parking, sidewalks, access to the building, etc.).

3.0 INFORMATION TO BE PROVIDED BY CLIENT

3.1 A digital file in AutoCAD format of the site concept, topographic information, etc.

4.0 SCOPE OF BASIC SERVICES AND FEE

The scope of services to be provided by Consultant shall be as follows:

LANDSCAPE ARCHITECTURE TASKS

- Task 1** **Arborist Tree Inventory** - Consultant shall prepare a tree inventory and evaluation by an International Society of Arboriculture (ISA) Certified Arborist showing locations of trees pursuant to City of Doral code. Inventory shall show palm trees only Trees located will be 3 inch DBH and larger, within the subject property boundary. Consultant shall inventory no more than 11 trees. The tree inventory and evaluation shall reflect the following data to meet the requests of the of City of Doral tree species; common and scientific names; dbh (diameter at breast height) for dicot trees; clear trunk, grey wood, or overall heights for palms; canopy spread, and general health/ condition/ hazard determination as evaluated by an ISA Certified Arborist. Location of trees will be recorded using a differential global positioning satellite (GPS) and displayed on map with aerial background.
- Task 2** **Vegetation/Tree Removal Permitting** - Consultant shall prepare a tree removal permit application and support documentation that includes plans, location maps, mitigation tables and other information as required for permitting existing trees proposed for removal or relocation. This includes coordination with Client's landscape architect to include mitigation/relocation of trees on the landscape plan being completed by the landscape architect. Consultant shall then submit the tree removal permit application package to Miami-Dade County for removal/relocation activities associated with the existing trees on site. The vegetation/tree assessment and specific purpose tree survey will be addressed in Task 1. This Task does *not* include the application fee required for tree removal/relocation.
- Task 3** **Planting Design**
- A. **Document Preparation** - Consultant shall prepare planting construction documents for the proposed Project, meeting the minimum requirements for the City of Doral. The documents shall include plans, details, quantities, notes and size specifications for the installation of the proposed landscaping, and will be submitted to the City as part of the site plan package. One (1) iteration of revisions required by each reviewing agency upon review of the initial submittal is included in this Task. Preparation of an opinion of probable cost is not included in this Task.

Task 4 Irrigation

- A. Additional Revisions** – It is anticipated that the irrigation design will not change. Revisions to the irrigation design required by concept, architectural, site plan or utility changes, will be invoiced on an hourly as needed basis.

Task 5 Hardscape Design

- A. Additional Revisions** – It is anticipated that the hardscape design will not change. Any revisions required by concept, architectural, site plan or utility changes, shall be invoiced on an hourly as needed basis.

Re: Doral Legacy Park
11400 NW 82nd St, Doral, FL 33178

PROPOSED SCOPE OF SERVICES:

As per your request, Marlin Engineering Inc. will provide the following Surveying Services, linked to the above captioned project:

Survey Services:

- Provide Topographic Survey & Digital Terrain Model (DTM) of the baseball field area encircled in blue on the attached aerial exhibit;
- Provide elevations on a 20'x20' grid;
- Set a Minimum of Two (2) Site Benchmarks onsite;
- Locate all above ground utilities within site limits;
- Obtain Drainage invert elevations and pipe size/material data;
- Calculate Right of Way lines, adjacent lot/parcel line and represent on the survey.

Not included within our scope:

- Layout of Right of way lines.
- Sewer As-Builts.
- Locate any underground Utilities.
- Tree Identification, Canopy & Size.

SPECIFICATIONS:

All field data with the exception of electronic data will be recorded in field books.

Additions or modifications to the scope, as well as resulting CAD and Project Management time, will be invoiced per hourly fees listed below.

QUALIFICATIONS:

- 1- All Procedures in connection with this project will be performed in strict accordance with the with the most current "Standards of Practice" set forth by the Florida Board of Professional Surveyors and Mappers in Chapter 5J-17, Florida Administrative Code, pursuant to Section 472.027, Florida Statutes.
- 2- This estimate is based on information provided by City of Doral.
- 3- This estimate is a **Lump Sum Amount** price payment.
- 4- The final deliverable will be a digitally signed pdf of the survey and a DTM in AutoCAD Civil 3D format.

ESTIMATED FEE:

Our estimated fee to perform the services as requested by the City of Doral shall be a Lump Sum Amount of **\$9,956.00**. As always, Marlin Engineering Inc. is prepared to commence upon receipt of your written Task Work Order.

Field:

2 Man Survey Crew	\$1016.00/day	Estimated 5 days	\$ 5,080.00
-------------------	---------------	------------------	-------------

Office:

Project Surveyor	\$175.00/hr.	Estimated 3 hours	\$ 525.00
CADD Technician	\$100.00/hr.	Estimated 24 hours	\$ 2,400.00
Survey Technician	\$85.00/hr.	Estimated 12 hours	\$ 935.00

Total:			\$8,940.00
---------------	--	--	-------------------

ACCEPTANCE

All of the above listed fees are Lump Sum. The return of an executed copy of this proposal constitutes authorization to proceed. As requested, hourly rates to perform additional out of scope work has been appended to this proposal.

MARLIN Engineering, Inc. appreciates the opportunity to submit this proposal and we look forward to being of service. If you have any questions with respect to this proposal, do not hesitate to contact us.

APPROVED BY:

The above agreement is hereby acknowledged and MARLIN Engineering, Inc. is authorized to proceed with the above requested services.

RESOLUTION No. 21-56

A RESOLUTION OF THE MAYOR AND THE CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, APPROVING A WORK ORDER WITH MARLIN ENGINEERING, INC., TO PROCEED WITH PROFESSIONAL ENGINEERING SERVICES FOR THE DESIGN OF THE REPAIR PROTOCOL FOR THE BASEBALL FIELD AT DORAL LEGACY PARK IN AN AMOUNT NOT TO EXCEED \$44,857.00; AUTHORIZING THE CITY MANAGER TO EXECUTE THE WORK ORDER AND EXPEND BUDGETED FUNDS ON BEHALF OF THE CITY IN FURTHERANCE HEREOF; PROVIDING FOR IMPLEMENTATION; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Doral opened Doral Legacy Park on September 18th, 2017;

and

WHEREAS, after construction was completed and the park was opened and operational it was noticed that certain areas of the park experienced excessive ponding during rain events; and

WHEREAS, via Resolution 20-11, Marlin Engineering, Inc. (Marlin) conducted a hydrological analysis of the Baseball field and provided options for remedy; and

WHEREAS, the Public Works Department (PWD) requested a proposal from Marlin for the provision of construction documents that would address the areas of excess ponding; and

WHEREAS, Marlin, is a prequalified provider of professional engineering services selected in accordance with Consultant Competitive Negotiation Act (CCNA) requirements and approved by the City Council in December 2020 via Resolution No. 20-243; and

WHEREAS, City staff respectfully requests that the Mayor and City Council members approve Work Order No. 2 for Marlin, a copy of which is attached hereto as Exhibit "A", for the provision of professional engineering services that include the design and permitting of

the repair protocol for the baseball field at Doral Legacy Park, on a time and material basis in an amount not to exceed \$44,857.00, and

WHEREAS, funds for these services will be allocated from the Public Works General Fund in Fiscal Year 2020-21 in account number 001.8000500.500650.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF DORAL, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above recitals are confirmed, adopted, and incorporated herein and made part hereof by this reference.

Section 2. Approval. The Work Order between the City of Doral and Marlin Engineering, Inc. for the professional engineering services for the design and permitting of the repair protocol for the baseball field at Doral Legacy Park , in an amount not to exceed of \$44,857.00, a copy which is attached as Exhibit "A", is hereby approved.

Section 3. Authorization. The City Manager is authorized to execute the Work Order and expend budgeted funds on behalf of the City in furtherance hereof.

Section 4. Implementation. The City Manager and the City Attorney are hereby authorized to take such further action as may be necessary to implement the purpose and the provisions of this Resolution.

Section 5. Effective Date. This Resolution shall take effect immediately upon adoption.

The foregoing Resolution was offered by Councilmember Cabral who moved its adoption.
The motion was seconded by Vice Mayor Cabrera and upon being put to a vote, the vote was as follows:

Mayor Juan Carlos Bermudez	Yes
Vice Mayor Pete Cabrera	Yes
Councilwoman Digna Cabral	Yes
Councilwoman Claudia Mariaca	Yes
Councilman Oscar Puig-Corve	Yes

PASSED AND ADOPTED this 17 day of March, 2021.
