**WHEREAS**, during the budget preparation process for Fiscal Year 2020-21, the budget funding to cover fuel expenses was calculated based on fuel consumption and prices projected by the US Energy Information Administration (EIA), and the fuel budget was adopted in an amount \$400,000; and

**WHEREAS**, the Fleet Maintenance Division continued with the adopted budget with the notion that if additional funding was required due to consumption or price increases the Public Works Department (PWD) would go back to Council for a transfer request; and

**WHEREAS**, The PWD coordinated with the Finance Department to identify available funding to cover the unforeseen fuel cost overrun and the PWD identified available funding in the Public Works General Fund Account Num. 001.80005.500610 encumbered in PO Num. 2019-2110; and

**WHEREAS**, The PWD respectfully requests that the Mayor and the City Councilmembers authorize the budget transfer in an amount of \$55,000 from the Public
