RE: City of Doral  
**Subj:** CA Phase Services (Post Design) for Public Works Building Renovations and  
UPS for RTCI & EOC

Dear Mr. Sanchez:

Per your request, we can provide Construction Administration Phase services for RFI'S, Shop Drawings, Product Data and field observations, for the above-noted projects on an hourly basis.

Inasmuch as the effort required to perform these services is not fully quantifiable at this time, we propose to provide these services at an hourly rate of \$150.00 (average rate for all disciplines). We believe that these services should not exceed a total of 86 man-hours to perform.

I trust this satisfies your inquiry and let me know if you need anything else from us.

Sincerely,

Marcel R. Morlote, R.A.  
President
