Re: Roadway Improvements to NW 97th Avenue from NW 58th Street to NW 70th Street
Project No. - 20200117

Dear Property Owner:

The Miami-Dade County Department of Transportation and Public Works (DTPW) has scheduled a virtual public meeting regarding the subject project on Wednesday, September 29, 2021, from 6:30 p.m. to 8:00 p.m. The meeting will be conducted to provide area residents and businesses with information related to the construction phase of the project, and to present plans, and other pertinent information developed by DTPW.

DTPW is planning to reconstruct NW 97th Avenue from the north side of the intersection at NW 58th Street to NW 70th Street. The project will replace the existing three-lane roadway with a new five-lane roadway that will connect to the existing five-lane section of NW 97th Avenue north of NW 70th Street. Also, the project will address the vehicular traffic demands of the corridor and provide new facilities for bicyclists and pedestrians. The objective of the project is to provide safety and operational improvements to help traffic flow smoothly along NW 97th Avenue.

To participate in the virtual public meeting, the public may pre-register at www.miamidade.gov/virtual-meetings. Click Departmental Meetings Calendar, find the meeting date and time, and select the meeting you wish to attend.

To request materials in accessible format, sign language interpreters, Communication Access Real-time Translation (CART) and/or any accommodation to participate in any County-sponsored program or meeting, please contact the ADA Departmental Coordinator at 786-469-5225 or DTPW-ADA@miamidade.gov at least five days in advance to initiate your request. TTY users may also call 711 (Florida Relay Service.)

Your attendance at this meeting is encouraged and any comments will be appreciated. For additional information regarding this project, please call 786-469-5365 or send an email to DTPWOutreach@miamidade.gov.

Sincerely,

Miguel Soria, P.E.
