**6. Discussion Items**

a. **Discussion: Student/Athlete of the Quarter Program**

The program was on pause because of COVID-19 and students taking online classes. Now that school is back to meeting in person, the board can start the program again. The board is looking to start reviewing the applications at the February board meeting and present their recommendations to Mayor & Council at the March Council Meeting. That way students can complete their first quarter at school before they decide.

**b. Discussion: Location of a Future Meeting (at a Park)**

The board has held meetings in the past at Morgan Levy and Doral Meadow Park. The board wants to start meeting in Parks again. The board can meet at the parks, they just have to make sure that no program is going on the date the board decides to meet.

**c. Open Discussion**

The board requested an update on all park's bond projects from Lazaro Quintero, as well as the opening/reopening status due to COVID-19 and sports programming.

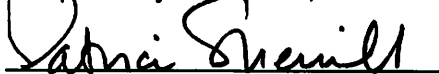

**7. Discussion of next meeting agenda items**

- Student/Athlete of the Quarter Program
- Location of February 2022 Meeting (at a Park)
