

## MUTUAL AID AGREEMENT

### BETWEEN THE CITY OF SWEETWATER AND THE CITY OF DORAL

**Whereas**, it is the responsibility of the governments of the City of Sweetwater and the City of Doral, to ensure the public safety of their citizens by providing adequate levels of police services to address any foreseeable routine or emergency situation; and

**Whereas**, because of the existing and continuing possibility of the occurrence of law enforcement problems and other natural and man-made conditions which are, or are likely to be, beyond the control of the services, personnel, equipment, or facilities of the City of Sweetwater Police Department or the City of Doral Police Department, the parties have each requested that a mutual aid agreement be executed; and

**Whereas**, in order to ensure that the resources of these law enforcement agencies will be adequate to address any and all these conditions, to protect the public peace and safety, and to preserve the lives and property of the people of the City of Sweetwater and the City of Doral the parties have each requested that a mutual aid agreement be executed; and

**Whereas**, City of Sweetwater and the City of Doral have the authority under Chapter 23, *Florida Statutes*, the "Florida Mutual Aid Act," to enter into this Mutual Aid Agreement.

**NOW, THEREFORE, BE IT KNOWN** that the City of Sweetwater and the City of Doral, municipal corporations of the State of Florida, by and through their undersigned representatives, in consideration for mutual promises to render valuable aid in times of necessity, do hereby agree to fully and faithfully abide by and be bound by the following terms and conditions:

1. **Short title:** Mutual Aid Agreement.
2. **Description:** This Mutual Aid Agreement ("Agreement") provides for the requesting and rendering of assistance for both routine and law enforcement intensive situations; thus, this Agreement combines the elements of both a voluntary cooperation agreement and a requested operational assistance agreement, as described in Chapter 23, *Florida Statutes*.

3. **Definitions:**

- a. **Joint Declaration:** A document which enumerates the various conditions or situations where aid may be requested or rendered pursuant to this Agreement, as determined by concerned police agency heads. Subsequent to execution by the concerned agency heads, the joint declaration shall be filed with the clerks of the respective municipalities and shall thereafter become part of this Agreement. Said declaration may be amended or supplemented by mutual agreement at any time, upon filing a subsequent declaration with the clerks of the respective municipalities.
- b. **Law Enforcement Agencies:** The Police Department of the City of Sweetwater and/or the Police Department of the City of Doral.
- c. **Agency Head:** Either the Chief of the City of Sweetwater Police Department or the Chief's designees; and the Chief of the City of Doral Police Department, or the Chief's designees.
- d. **Participating Municipal Police Department:** The Police Department of any municipality in Miami-Dade County, Florida, that has approved and executed this Agreement upon the approval of the governing body of that municipality.
- e. **Certified Law Enforcement Employee:** Any law enforcement employee certified as provided in Chapter 943, *Florida Statutes*.

4. **Operations:**

- a. In the event that a party to this Agreement is in need of assistance as specified in the applicable joint declaration, an authorized representative of the Police Department requiring assistance shall notify the Agency from whom such assistance is requested. The authorized Agency Representative whose assistance is sought shall evaluate the situation and his/her available resources, and will respond in a manner deemed

appropriate. The Agency Head's decision in this regard shall be final.

- b. Each party to this Agreement agrees to furnish necessary manpower, equipment, facilities and other resources and to render services to the other party as required to assist the requesting party in addressing the situation which caused the request; provided, however, that no party shall be required to deplete unreasonably its own manpower, equipment, facilities, and other resources and services in rendering such assistance.
- c. The Agency Heads of the participating Law Enforcement Agencies, or their designees, shall establish procedures for giving control of the mission definition to the requesting Agency, and for giving tactical control over accomplishing any such assigned mission and supervisory control over all personnel or equipment provided pursuant to this Agreement to the providing Agency.

**5. Powers, Privileges, Immunities, and Costs:**

- a. All employees of the participating Law Enforcement Agencies, including Certified Law Enforcement Employees, during such time that said employees are actually providing aid outside of the jurisdictional limits of the employed municipality pursuant to a request for aid made in accordance with this Agreement, shall, pursuant to the provisions of Chapter 23, *Florida Statutes*, have the same powers, duties, rights, privileges, and immunities as if they were performing their duties in the municipality in which they are normally employed. Should a violation of Florida law occur in the presence of a Certified Law Enforcement Employee representing his/her respective Law Enforcement Agency in furtherance of this Agreement, he/she shall be empowered to render enforcement assistance and act in accordance with Florida law.

- b. Each party agrees to furnish equipment, resources and facilities, and to render services to the other party to this Agreement as provided for herein; provided, however, that no party shall be required to unreasonably deplete its own equipment, resources, facilities and services in furnishing such mutual aid.
- c. The municipality having financial responsibility for the Law Enforcement Agency providing services, personnel, equipment, or facilities pursuant to provisions of this Agreement shall bear any loss or damage to same and shall pay any and all expenses incurred in the maintenance and operation of same.
- d. The municipality having financial responsibility for the Law Enforcement Agency providing aid pursuant to this Agreement shall compensate all of its employees rendering aid pursuant to this Agreement during the time of the rendering of such aid and shall defray actual travel and maintenance expenses of such employees while they are rendering such aid. Such compensation shall include any amounts paid or due for compensation due to personal injury or death while such employees are engaged in rendering such aid, and also include all benefits normally due such employees. Notwithstanding the foregoing, if the requesting Law Enforcement Agency receives compensation from the Federal Emergency Management Agency, the requesting Law Enforcement Agency may compensate the assisting Law Enforcement Agency during the time of the rendering of such aid and may defray the actual travel and maintenance expenses of the Certified Law Enforcement Employees while they are rendering such aid, including any amounts paid or due for compensation as a result of personal injury or death while such Certified Law Enforcement Employees are rendering such aid pursuant to this Agreement.
- e. All of the privileges and immunities from liability, exemption from ordinances and rules, and all pension, insurance, relief, disability,

workers' compensation, salary, death, and other benefits which apply to the activity of such officers, agents, or employees of any such agency when performing their respective functions within the territorial limits of their respective agencies shall apply to them to the same degree, manner, and extent while engaged in the performance of their functions and duties extraterritorially under the provisions of this Agreement. The provisions of this Agreement shall apply with equal effect to paid and auxiliary employees.

- f. Nothing herein shall prevent the Agency requesting assistance under this Agreement to request supplemental appropriations from its City Council to reimburse the assisting Agency for any actual costs or expenses incurred in providing such assistance.

6. **Indemnification:** The municipality having financial responsibility for the Law Enforcement Agency providing aid pursuant to this Agreement agrees to hold harmless, and indemnify the requesting Law Enforcement Agency and its municipality in any suit, actions, or claim for damages resulting from any and all acts or conduct of employees of said providing Agency while providing aid pursuant to this Agreement, subject to Chapter 768, *Florida Statutes*, where applicable. Subject to the provisions set forth in Florida Statute Section 768.28, as amended and revised, neither party shall be liable to pay a claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgments or portions thereof, which when totaled with all other claims or judgments paid by the state or its agencies or subdivisions arising out of the same incident or occurrence, exceeds the sum of \$300,000. To the extent any indemnification requirement contained in this Agreement is deemed to be in violation of any law, that provision shall be deemed modified so that both parties shall be required to furnish the greatest level of indemnification to the Indemnitees as was intended by the parties hereto. Nothing contained in this Agreement shall be construed or interpreted to be a waiver of sovereign immunity by either party. The provisions of this Section shall specifically survive the termination of this Agreement.

7. **Forfeitures:** It is recognized that during the course of the operation of this Agreement, property subject to forfeiture under the Florida Contraband Forfeiture Act, may be seized. The property shall be seized, forfeited, and equitably distributed among the participating agencies in proportion to the amount of investigation and participation performed by each agency, less the costs associated with the forfeiture action. Any participating agency must request sharing, in writing before the entry of the Final Order of Forfeiture, or they will be barred from claiming any portion of the property forfeited. The agency pursuing the forfeiture

action shall have the exclusive right to control and the responsibility to maintain the property, including, but not limited to, the complete discretion to bring the action, or to dismiss the action, or settlement. This shall occur pursuant to the provisions of the Florida Contraband Forfeiture Act.

8. **Conflicts:** Any conflicts between this Agreement and the Florida Mutual Aid Act will be controlled by the provisions of the latter, whenever conditions exist that are within the definitions and provisions in Chapter 23, *Florida Statutes*.

9. **Effective Date and Duration:** This Agreement shall be in effect from date of signing by both parties, through and including, May 1, 2026. Under no circumstances may this Agreement be renewed, amended, or extended except in writing.

10. **Cancellation:** This Agreement may be canceled by either party upon sixty (60) days written notice to the other party.

**AGREED TO AND ACKNOWLEDGED** this 22 day of April, 2022.
