Public Works Director

Subject: **Recommendation to Award to Top Ranked Firms for RFQ No. 2023-08 for General Engineering and Architectural Services**

Introduction:

This memorandum serves as a request for authorization for the City Manager to enter into agreements with the eleven (11) top-ranked firms for RFQ 2023-08 to provide engineering and architectural services for various City projects.

Background:

The City has historically established a General Engineering Consultant (GEC) pool for the purpose of assisting the City with a multitude of projects in different disciplines. The consultants are chosen through the Request for Qualifications (RFQ) process in order to select the most qualified teams that are capable of performing the services needed by the City and its different departments (Public Works, Planning & Zoning, Parks & Recreation, Police, and/or the Building Department).

These professional services range from planning and design of new roadway connections, traffic congestion analysis, citywide master plans, land use planning, economic studies, parking studies, zoning analysis, stormwater system design, construction management, inspections, plans review, and building/architecture services to name a few. The City is able to save time by having these types of contracts in place without having to go through a traditional procurement process each time professional services are required.

The existing GEC pool of consultants was advertised through the Request for Qualifications process RFQ 2020-22 and was awarded to the top ten (10) ranked firms via Resolution No. 20-243 (approved 5-0). The current contracts were set to expire on January 4, 2024, and were extended at the December 2023 Council Meeting for an additional three (3) month period while the new procurement process was completed. The three (3) month extension was approved via Resolution No. 23-224 (approved 5-0).

It should be noted that the pool of consultants is managed through Work Orders using equitable distribution. Efforts are made to ensure all firms receive an equal amount of work based on their expertise and performance. By distributing work using equitable distribution, the City maintains the proper response time and interest from the consultants.

Procurement:

On October 5, 2023, the City of Doral issued “Request for Qualifications No. 2023-08 General Engineering and Architectural Services” (the “RFQ”) inviting all qualified and experienced firms to submit proposals for engineering and architectural services. Notices were posted on the City’s website, VendorRegistry.com, and Demandstar.com, with electronic broadcast to over 1700 vendors, including the incumbent firms. The Department of Procurement and Asset Management (“Procurement”) addressed all questions of a material nature via addenda. Three addenda were posted on October 11, 2023, October 23, 2023, and October 30, 2023, respectively.

On November 6, 2023, the City received and opened timely proposals from nineteen (19) respondents. Procurement conducted an administrative review of the submissions and determined that 17 of the 19 proposals were responsive.

An Evaluation Committee was established and comprised of five (5) individuals, including Mrs. Rita Carbonell, Assistant Director of Public Works, Mr. Julian Perez, Community Development & Planning and Zoning Director, Mr. Lazaro Quintero, Capital Improvements Division Chief, Mrs. Darlin Perez, Public Works Chief of Engineering, and Mr. Julio Amoedo, Public Works Chief of Construction. Prior to the publicly held evaluation meeting, each evaluation committee member was provided with a copy of the RFQ along with electronic copies of the proposals received so that they may conduct independent review of the responses and assign points based on the evaluation criteria set forth in the RFQ.

On December 18, 2023, at a publicly advertised meeting, the Evaluation Committee provided their input and submitted their scoring of the proposals. After ranking the proposals, the Evaluation Committee recommended to the City Manager that a Negotiations Committee be convened to negotiate with, and award to, the eleven (11) top-ranked firms. Attached are the results from the evaluation committee’s review of proposals ranked in accordance with the RFQ requirements.

Rank	Firm	Score
1	Gannett Fleming	489
2	BCC Engineering, LLC	487
3	Stantec Consulting Services	480
4	CHA Consulting	477
5	ADA Engineering Inc.	477
6	Kimley-Horn	475
7	Marlin Engineering	474
8	The Corradino Group, Inc.	467
9	AECOM Technical Services	464
10	EXP US Services Inc.	463
11	Ardurra Group Inc.	462

The negotiations committee, which was comprised of the three (3) Public Works Department staff within the Evaluation Committee, publicly negotiated the respective contracts in accordance with the Consultants' Competitive Negotiation Act, Section 287.055, Florida Statutes.

Fiscal Impact:

The fiscal impact associated with this request is currently unknown and will vary based on the amount of work provided to the consultants. The current pool of consultants' total expenses throughout the duration of the three (3) year contract was approximately \$3,567,000.

Recommendation

The City's Staff respectfully requests that the Mayor and City Councilmembers award RFQ 2023-08 to the eleven (11) top-ranked firms and authorize the City Manager to enter into professional services agreements with each of them in substantially the attached form, for a period of three (3) years, with provisions to renew for one (1) additional year. The execution of professional services agreements does not commit the City to any amount of fees nor guarantees any work. Any work orders in excess of the City's allowable minimum funding amount during the term of the contract will be brought before the City Council for approval.
