Good Evening,

Thank you for providing. Upon reviewing I noticed that the schedules reflect using Doral Meadow Park on Saturday 3/9 beginning at 8am. As mentioned earlier, we have city programming scheduled at Doral Meadow Park on Saturday 3/9 in the morning. The schedule for the 9v9 will need to be adjusted. Perhaps some of the morning games can be played at the schools since they have permitted you to use the school.

Let me know your thoughts. Thank you.

Hello, I am writing to you to explain that we are going to need to move the event to another date. I know the idea was to do it this year but talking with FYSA, with the people from Gotsport, team coaches, etc. we all agreed that it would be very soon to hold this tournament in October, thank God this process has helped us to understand how it works the children's soccer system.

The idea of holding the tournament in our city is an excellent opportunity that gives us to do something well and that the city leaves a beautiful impression and year after year the tournament gains more fame.

For this we request to hold the tournament in March on the weekend of the 9th to 10th, it would be before the sprint break in Miami dade, Broward and Palm county.

For this we would have enough time to know which fields we can count on, have the sponsors who want to support, etc.

We apologize for the inconvenience caused.

We would like to know what would be the best month to present the tournament to the board.

Regards
