

WORK ORDER No. 11 FOR PROFESSIONAL SERVICES

TO: BCC Engineering, Inc.
6401 SW 87th Avenue, Suite 200
Miami, Florida 33173
(305) 670-2350

DATE: December 12, 2017

The City of Doral authorizes the firm of BCC Engineering, Inc. to proceed with the provision of professional engineering services for Subsurface Utility Engineering (SUE) services for the traffic signal improvements along NW 74 Street at NW 102 Avenue and NW 97 Avenue. The work should be performed in accordance with the contract provisions contained in the Continuing Professional Services Agreement between BCC Engineering, Inc. and the City of Doral dated February 2, 2015, and the attached Proposal submitted by your firm for the above referenced project.

SCOPE OF SERVICES AND SCHEDULE:

The scope of the project will be as described in the attached proposal dated December 12, 2017 from BCC Engineering, Inc. All limitations of time set forth in this Work Order are of the essence. The performance of services associated with this Work Order will be executed on a lump sum basis with a not to exceed amount of \$7,080.00.

You are required by the Continuing Service Agreement to begin work subsequent to the execution of this Work Order, or as directed otherwise. If you fail to begin work subsequent to the execution of this Work Order, the City of Doral will be entitled to disqualify the Proposal, and revoke the award.

Work Order incorporates the terms and conditions set forth in the Continuing Services Agreement dated February 2, 2015 between the parties as though fully set forth herein. In the event that any terms or conditions of this Work Order conflict with the Continuing Services Agreement, the provisions of this specific Work Order shall prevail and apply. This Work Order is not binding until the City of Doral agrees and approves this Work Order.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and date first above written, in three (3) counterparts, each of which shall, without proof or accounting for the other counterpart be deemed an original Contract.

Doral, FL 33166

Reference: **City of Doral – Proposal for Subsurface Utility Engineering (SUE) Services**

Dear Mr. Jorge Gomez:

Thank you for the opportunity to present this proposal to provide SUE services at the intersections of NW 74th Street with NW 102nd Avenue and NW 97th Avenue for the City of Doral. The services under this task authorization will be provided by one of our sub-consultants F.R. Aleman & Associates, Inc., (FRA).

Scope of Services

See Exhibit A for summary of tasks and cost of service. Provision for optional services to perform test holes is being included.

Basic Services Fee

We propose to provide the described Basic Services for a Limiting Amount Fee (Time & Materials basis) of **\$3,580.00** Dollars.

Schedule

We will provide the above-described services outlined in an expeditious and orderly manner to meet the schedule mutually agreed to by the Client and BCC Engineering for the various elements of the project.

Sincerely,
BCC ENGINEERING, INC.

SUBJECT: Revised Price Proposal for S.U.E Services at NW 74 St. & NW 97 Ave. and NW 74 St. & NW 74 St. & NW 102 Ave., City of Doral, Florida

Dear Ms. Quintana:

In accordance with your request, F.R. Aleman & Associates, Inc., (FRA) is pleased to submit our revised proposal to provide S.U.E services to your company. Test hole reports will have survey information (station, offset, & elevation). Three swing ties will be taken to three structures on the plans. The measurements on this project have been requested to be provided in Tenths per your request. **Survey services provided by FRA.**

**F.R. ALEMAN & ASSOCIATES, INC.
 S.U.E. SERVICES – PRICE PROPOSAL**

Service Description	Quantity	Rate	Proposed Cost
2-Person Survey Crew	1 Day	\$ 1,200.00 / per Day	\$ 1,200.00
GPR / Utility Designation Services (Survey Services Included)	1 Day	\$ 1,800.00 / per Day	\$ 1,800.00
CADD Services	8 Hours	\$ 72.50 / per Hour	\$ 580.00
Total Proposal Cost			\$ 3,580.00

Note: If additional time should be required for the completion of this project, services will be billed as follows.

- \$ 1,200.00 per day for 2-Person Survey Crew
- \$ 1,800.00 per day for GPR / Utility Designating Services (Survey Services Included)
- \$ 72.50 per Hour for CADD Services

Optional Services: 10 Test Holes at \$ 350.00 / per Test Hole = \$ 3,500.00

We are prepared to commence work immediately upon your issuance of a Letter of Authorization. Please do not hesitate to contact me if you have any questions.

Very truly yours,

D.M. Stanton
 S.U.E. Director
