CITIZENS' BILL OF RIGHTS

- (A) This government has been created to protect the governed, not the governing. In order to provide the public with full and accurate information, to promote efficient administration management, to make government more accountable, and to insure to all persons fair and equitable treatment, the following rights are guaranteed:
- (1) *Convenient Access.* Every person has the right to transact City business with a minimum of personal inconvenience. It shall be the duty of the Mayor, the City Council and the City Manager to provide, within budgetary limitations, reasonably convenient times and places for registration and voting, for required inspections, and for transacting business with the City.
 - (2) *Truth in Government.* No municipal official or employee shall knowingly furnish false information on any public matter, nor knowingly omit significant facts when giving requested information to members of the public.
 - (3) *Public Records.* Records of the City, its boards, agencies, departments and authorities shall be open for inspection at reasonable times and places convenient to the public, to the extent required by law.
 - (4) *Minutes and Ordinance Register.* The City Clerk shall maintain and make available for public inspection a register separate from the minutes showing the votes of each Councilmember on all ordinances and resolutions listed by descriptive title. The register shall be available for public inspection not later than 60 days after the conclusion of the meeting at which action was taken.
 - (5) *Right to be Heard.* So far as the orderly conduct of public business permits, any interested person has the right to appear before the City Council or City agency,

board or department for the presentation, adjustment or determination of an issue, request, or controversy within the jurisdiction of the City. Matters shall be scheduled for the convenience of the public. The City Council shall adopt agenda procedures and schedule hearings in a manner that will enhance the opportunity for public participation. Nothing herein shall prohibit any governmental entity or agency from imposing reasonable time limits and procedures for the presentation of a matter.

- (6) *Right to Notice.* Persons entitled to notice of a City hearing shall be timely informed as to the time, place and nature of the hearing and the legal authority pursuant to which the hearing is to be held. Failure by an individual to receive such notice shall not constitute mandatory grounds for canceling the hearing or rendering invalid any determination made at such hearing. Copies of proposed ordinances or resolutions shall be made available at a reasonable time prior to the hearing, unless the matter involves an emergency ordinance or resolution.
- (7) *No Unreasonable Postponements.* No matter, once having been placed on a formal agenda by the City, shall be postponed to another date except for good cause shown.
- (8) *Right to Public Hearing.* Upon a timely written request from any interested party, and after presentation of the facts to and approval by the Council, a public hearing shall be held upon any significant policy decision which is not subject to subsequent administrative or legislative review and hearing.

At any zoning or other hearing in which review is exclusively by certiorari, a party or his/her counsel shall be entitled to present his/her case or defense by oral or documentary evidence, to submit rebuttal evidence, and to conduct such cross examination as may be required for a full and true disclosure of the facts. The decision of such agency, board, department or authority must be based upon the facts in the record. Procedural rules establishing reasonable time and other limitations may be promulgated and amended from time to time.

- (9) *Notice of Action and Reasons.* Prompt notice shall be given of the denial in whole or in part of a request of an interested person made in connection with any City administrative decision or proceeding when the decision is reserved at the conclusion of the hearing. The notice shall be accompanied by a statement of the grounds for denial.
 - (10) *Managers' Report.* The City Manager shall periodically make a public status report on all major matters pending or concluded within his/her area of concern.
 - (11) *Budgeting.* In addition to any budget required by state law, the City Manager, at the direction of the Mayor, shall prepare a budget showing the cost of each department for each budget year. Prior to the City Council's first public hearing on the proposed budget required by state law, the City Manager shall issue a budget summary setting forth the proposed cost of each individual department
-

and reflecting the personnel for each department, the purposes therefore, the estimated millage cost of each department and the amount of any contingency and carryover funds for each department.

- (12) *Quarterly Budget Comparisons.* The City Manager shall issue a quarterly report showing the actual expenditures during the quarter just ended against one quarter of the proposed annual expenditures set forth in the budget. Such report shall also reflect the same cumulative information for the portion of the fiscal year that has elapsed.
- (B) The foregoing enumeration of citizens' rights vests large and pervasive powers in the citizenry of the City. Such power necessarily carries with it responsibility of equal magnitude for the successful operation of government in the City. The orderly, efficient and fair operation of government requires the participation of individual citizens exercising their rights with dignity and restraint so as to avoid any sweeping acceleration in the cost of government because of the exercise of individual prerogatives, and for individual citizens to grant respect for the dignity of public office.
- (C) All provisions of this Bill of Rights shall be construed to be supplementary to and not in conflict with the general laws of Florida.

Sec. 9.7. Continuing Obligations as to County Bonds.

The County has previously issued \$41,580,000.00 Stormwater Utility Revenue Bond Series 1999 (the "Stormwater Bond") of which \$38,805,000.00 remains outstanding as of May 1st, 2002, payable from stormwater utility fees collected in the unincorporated area and within a limited number of cities. The County assesses and collects the stormwater utility fee pursuant to Sections 24-61 through 24-61.5 of the County Code, as amended from time to time and Section 403.0893, Florida Statutes, as amended from time to time (the "Stormwater Utility Fees").

The County has issued \$77,640,000 Public Service Tax Revenue Bonds (UMSA Public Improvements) Series 1999 (the "Series 1999 Public Service Bonds") currently outstanding in the principal amount of \$71,295,000 and has issued an additional series of bonds in an amount not to exceed \$60,000,000 (the "Series 2002 Public Service Bonds") prior to the City's incorporation payable from Public Service Taxes (defined below) collected in the unincorporated area. The County receives a public service tax pursuant to Section 166.231, Florida Statutes, as amended from time to time, and as of October 1, 2001, from a discretionary communications tax assessed pursuant to Chapter 202, Florida Statutes and Section 29 of the County Code (collectively, "The Public Service Tax"). If required by the County within 180 days of the adoption of this Chapter, the City

agrees to enact an ordinance, pursuant to Section 202.19, Florida Statutes, authorizing the levy of the discretionary services tax at a rate no less than the rate established by the County for communications services prior to the incorporation of the City.

The Stormwater Bonds, the Series 1996 Public Service Bonds, the Series 1999 Public Service Bonds, the Series 2002 Public Service Bonds, and any bonds issued in the future, provided that the City remains a part of the Stormwater utility system, that are secured either through Stormwater Utility Fees or Public Service Taxes ("Fees and Taxes") are referred to collectively in this Section as the "Bonds".

The City agrees that until the Bonds are retired the County shall have the right to receive and apply to debt service on the Bonds all of the Fees and Taxes collected within the unincorporated area and within the boundaries of the City. After the County has paid or satisfied the monthly debt service requirements on the Bonds, the County shall make a payment to the City, equal to its share of the remaining Fees and Taxes on deposit with the County. The City's share shall be all Fees and Taxes collected within the City annually minus its Debt Service Share. The City's Debt Service Share is determined by expressing the Fees and Taxes collected within the City at the time of incorporation as a percentage of the total Fees and Taxes collected within the unincorporated area at the time of incorporation and any municipalities incorporated after 1998 and apply that percentage to the total annual debt service on the Bonds. The City may prepay its proportionate share of the aforementioned bonds at any time during the life of the bonds with out penalty.

The intent of this Section is to ensure that the City continues to collect revenues on behalf of the County which were collected by the County prior to the incorporation of the City and which were pledged and relied upon to pay for capital improvements provided by the County to the then existing unincorporated area to the benefit of the City.

Sec. 9.8. Favored Nation Status.

County Services.

If a subsequent incorporation is approved without the newly incorporated area being required to remain in the Miami-Dade Fire Rescue District, Miami-Dade Library System, Miami-Dade Solid Waste collection service area, or without contracting with the Miami-Dade Police Department for local patrol police services, the City will be entitled to modify its relationship with the County, so that the city will not be required to receive that particular service from the County. Both parties also agree that if a subsequent incorporation of any area is approved without conditions outlined in this agreement, and those terms would be beneficial to the City of Doral, the terms under this Charter will immediately be replaced with the terms granted to the subsequent, new, municipality (the "Most Favored Nation Status"). It is provided, however, that the Most Favored Nation Status shall not apply to mitigation payments into the Municipal Services Trust Fund, nor apply to any requirement to separately contract or pay for the provision of specialized police services.

The provisions of this Section, apply only to the service or services modified, and in no way alter the agreement regarding the remaining services.

Sec. 9.9. Rights of the City.

The City will be granted all rights powers and privileges afforded to all municipalities and provided under the general laws of the State of Florida subject only to the restrictions placed upon it by this Charter. The City will receive all other municipal revenue sources such as utility taxes including those that the County by right or may otherwise retain, such as the franchise fees, and will continue to receive all services that are provided to cities under the countywide budget.

Sec. 9.10. Modifications.

Any modifications to Article IX will require:

- (1) All approvals normally required by the municipal charter, and
- (2) Approval by 2/3rds of the total membership of the Miami-Dade County Board of County Commissioners.
