TRANSPORTATION AND HOW TO GET THERE

● **Options:** Public transportation to Bayfront Park is advised.

● You can pay directly at Metrorail fare gates using contactless-enabled bank cards or digital wallets or wearable devices like watches or phones that have Apple Pay, Google Pay, Fitbit Pay and Samsung Pay. Or use transit cards like an EASY Card or EASY Ticket or the Go Miami-Dade Transit Mobile app.

● Details are on the Mia-

mi-Dade transportation home page at www8.miamidade.gov/global/transportation/home.page or the main Lexus Corporate Run website.

● **Metrorail fare** is \$2.25 for a one-way trip or \$5.65 for a One-Day Pass to the Government Center station. From there, transfer to Metromover's Omni Loop or Inner Loop (free) and get off at the College/Bayside, First Street or Bayfront Park Metromover stations.

● **Pro tip:** Exit Metromover at the First Street Station, not the Bayfront Station. That's because the First Street Station is closer to Corporate Run sections A, B, D, E-Class, F, H, S-Class, Q, and R. It also makes accessing the starting line easier, especially for anyone arriving late. Exit the station onto First Street, make a left and walk east a block and a half to Bayfront Park.

● **Brightline:** If you are coming from Broward, Brightline is probably a smart option. Tickets for Thursday from Fort Lauderdale start at \$29 in the SMART category of seat. Returns from Miami that same day from 2:50 p.m. on varied between \$34 and \$54. The latest two trains — leaving Miami at 9:45 p.m. and 10:50 p.m. are \$29 without taxes. Meaning, if one wanted to avoid the two latest returns to Fort Lauderdale, they would have to spend between \$63 and \$83.

Brightline's pricing "is dynamic and subject to change at any time, based on date of travel, class of service, time of day, and overall availability," according to its website.

PARKING AT A STATION

● **Cost:** Parking at the Metrorail stations is \$4.50 per day. Pay at the station's EASY Card/Ticket vending machine or through the PayByPhone app.

MIAMI PARKING GARAGES

The Lexus 2024 Corporate Run course map for Thursday in Miami

Here are some of the garages you can consider if you're driving to the race. Race officials suggest these then taking the Metromover to get close to the event.

● **Garage #1 — Courthouse**, 40 NW Third St. The nearest Metromover station is Government Center.

● **Garage #3 — College Station Garage**, 190 NE Third St. Nearest Metromover station is College/Bayside, or walk three blocks east and one block south to Bayfront Park.

● **Garage #4 — Convention Center Garage**, 100 SE Second Ave. Nearest Metromover station is Knight Center Station, or walk four blocks east and one block north to Bayfront Park.

● **Bayside Marketplace Garage**, 401 Biscayne Blvd. This garage is adjacent to Bayfront Park. Access the garage via the Port Boulevard entrance, and walk one block south to Bayfront Park. Participants can park here by showing their bib numbers for a discounted rate of \$15.

HOW TO FIND YOUR COMPANY TENT

Officials expect about 18,000 participants from more than 700 companies

this year. Each company has its own tent and table where you can pick up your race number/timer packet and T-shirt and whatever goodies your company has for you like refreshments and selfie-ops. This is where you will all gather

before and after participating. The Corporate Run website has a Company Tent Map layout under its Quick Links section on its home page with company name, its identifying number and zone area.

WHAT ABOUT WATER?

Corporate Run 2024 has partnered with Miami-Dade Water to help hydrate participants. Keep an eye out for the blue signage and banners at Miami-Dade Water stations along the route. Or bring your own water bottles and fill with water or electrolyte-rich drinks.

Wind gusts are expected to hit around 18 mph. As darkness falls mid-race, or as you socialize at the tents, expect a low around 73. The gusts are expected to be around 13 mph Thursday evening.
