RECITALS

WHEREAS, Licensee has the desire to make improvements to their property which is located adjacent to the Doral Legacy Park site (the "Project"); and

WHEREAS, Licensee is requesting the City to allow for reasonable access to the site for the purpose of making these improvements; and

WHEREAS, the City desires to license the use of a limited portion of the Doral Legacy Park site to Licensee pursuant to the terms and conditions of this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the foregoing recitals, which are incorporated herein and made a part hereof by this reference, the mutual covenants of the set forth in this Agreement, and other good and valuable consideration, the sufficiency of which is acknowledged by the Parties, the Parties hereby agree as follows:

1. Grant of License and Use. The City grants to Licensee a temporary, revocable license for a certain portion of the Doral Legacy Park site generally located on the southern portion of the eastern parcel (the "Premises"). The Premises and such means and ingress and egress incidental to the use of the Premises shall constitute the limited area to which Licensee shall have permission to carry-on its permitted use. The Premises shall exclude, without limitation, other areas of the Doral Legacy Park site. The Premises shall not be subject to change without the express written consent of an official from the City administration.

The Licensee shall be entitled to go on to the Premises beginning on April 18th, 2016 and ending on May 3rd, 2016 between the days of Monday-Friday (excluding holidays) and between the hours of 8am to 4pm. ("Permitted Time") All set-up and break-down actions that Licensee may require shall occur within the Permitted Time.

Licensee is hereby authorized to use the Premises for the purposes of making improvements to their property ("Permitted Use"). The City grants Licensee the right to enter onto the Premises during the Permitted Time and to do such tasks related to the Permitted Use. At the conclusion of the Permitted Use, and/or at the end of each day in which the Permitted Use is occurring, Licensee shall either restore the Premises to the same and/or substantially similar condition in which the Premises was found. The Parties agree that the City administration has authority to make

reasonable modifications to the Rules and Regulations, which Licensee shall conform to upon written notice thereof.

2. **Compliance with Laws and Permits.** Licensee agrees to comply with all applicable Federal, State and local laws and with the conditions hereof when exercising any of the privileges granted herein. Licensee is responsible for obtaining all required permits, licenses and approvals required to perform the Permitted Use, and Licensee specifically agrees to obtain all such permits, licenses and approvals from any governing body as required and keep same in full force and effect at all times.

3. **Access.** The City shall grant Licensee, its contractors, its agents, employees, and invitees such access to the Premises as may be needed during the Permitted Time to accomplish the Permitted Use.

4. **Condition of Premises.** Licensee agrees to accept the Premises in "as is" condition and to leave the Premises at the end of the Permitted Time in the same condition as provided to Licensee. Licensee acknowledges it has inspected the Premises and accepts same in its present condition. Licensee shall be responsible, and agrees to pay, for any damage to the Premises that may occur during its use.

5. **Consideration for License.** The City offers this License to Licensee in consideration of the soil testing being conducted for the purposes of evaluating the feasibility of the Project, which would be accomplished by Licensee. No further consideration is required or need be tendered. The Parties acknowledge the sufficiency of the consideration underlying this License Agreement.

6. **Revocable at Will.** Licensee acknowledges and understands that the permission to use the Premises being granted herein is limited to the Permitted Time and Permitted Use and revocable at any time. The City reserves the right to change the date of Licensees use of the Premises and/or modify the scope of the Premises if there is a conflict with a previously approved, emergency and/or necessary City function that is or will be occupying the same area. In the event of emergency circumstances or in the event the City or City Manager finds a threat to the public health or safety is involved, this Agreement may be cancelled by City verbally, effective immediately, followed by prompt written confirmation. In the event of any such change, Licensee may request a different time and/or location to perform the Permitted Use. In the event that City is unable to accommodate such a request, Licensee shall be entitled to a refund of any fees paid to the City, less any expenses incurred by the City. In the event of an accommodation is made, the Licensee shall not be entitled to a refund. The Agreement shall terminate automatically at the expiration of the Permitted Time or pursuant to written notice given hereunder by either Party, effective upon the earlier of receipt or three days after transmittal by sender

7. **Insurance.** To the extent that Licensee is performing construction or other services on his/her/their/its property as facilitated by a licensed contractor(s) and/or service provider(s), Licensee shall furnish insurance certificates from such contractor(s) and/or service provider(s) indicating satisfactory insurance coverage at its sole cost and expense and maintain in full force and effect during the Permitted Time with City, policies of insurance of the type and in the minimum amounts stated below. Nothing in this Agreement will be construed to affect in any way the City's rights, privileges, and immunities, including the provisions and monetary limitations of Section 768.28(5), Florida Statutes, which limitations are applicable regardless of whether such provisions would otherwise apply.

15. **No Assignment.** Neither this License nor this Agreement is assignable by Licensee without City's express written approval, which may be withheld for any reason. Licensee may engage subcontractors to perform part or all of the Permitted Uses, provided Licensee remains at all times obligated hereunder.

Upon termination of this Agreement, Licensee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure. Any compensation due to Licensee shall be withheld until all documents are received as provided herein.
