5. Discussion Items

a. Discussion: Littering/Dumping Fines (Local Ordinance)

The board reviewed the draft memo and agreed to make some minimal edits. Once the edits are complete, the board will be submitting the memo to the City Clerk's Office, so it be placed on the agenda. The board will be presenting the memo to Mayor and Council at the April Council meeting morning session.

b. Discussion: Adopt-A-Trail to Supplement the Adopt-A-Street Program

The city is re-visiting the Adopt-A-Street program, so there is no rush to tackle this discussion item yet. Once the city is done re-visiting the program, the board plans to copy the verbatim and add Trail instead of street and ask the city attorney if it is ok to lower the age requirement, so that children can be involved in this program too.

c. Discussion: EV/Fuel Efficient Vehicle Designated Parking at Parks & City Facilities

This item will also eventually become a memo to present to Mayor and Council at a future Council meeting. The Chair, Frank, informed the board that he will be writing this memo.

d. Discussion: Topics of the Environmental Advisory Board

The board went over some topics that they want to discuss in future meetings. One of them being recycling.
