Grant Opportunities!**

Florida SBDC at FIU is partnering with Verizon for a free program that offers resources and learning that can impact your business! We can help you propel your business forward in four key ways:

Personalized learning

Start with topics crucial to your business with exclusive, short courses from experts you can start using right away and unlock added benefits as you go.

Peer networking

Build a support network with local small business owners to share industry news, tips, and future business opportunities.

1:1 coaching

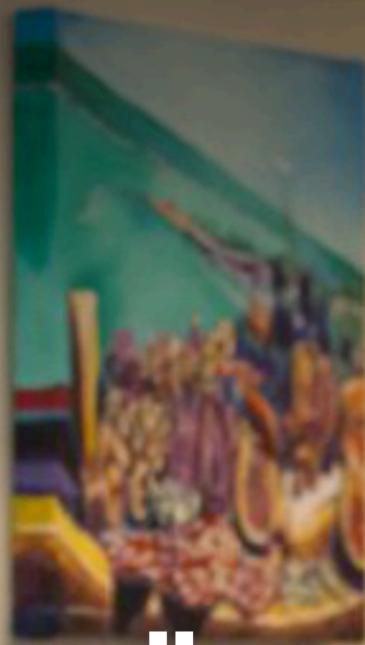

Attend workshops with experts for real-world advice and direct industry leader access.

Incentives

Unlock free or discounted products and services, and a chance to apply for grant opportunities for qualified Verizon Small Business Digital Ready users.
