GENERAL COMMENTS

AGREEMENT

This Comcast Enterprise Services Sales Order Form ("Sales Order") shall be effective upon acceptance by Comcast. This Sales Order is made a part of the Comcast Enterprise Services Master Services Agreement, entered between Comcast and the undersigned and is subject to the Product Specific Attachment for the Service(s) ordered herein, located at http://business.comcast.com/terms-conditions-ent, (the "Agreement").

By purchasing Comcast voice services, you are giving Comcast Business permission to request a copy of the Customer Service Record(s) from your existing carrier(s). Customer Service Records include the telephone numbers listed on the account(s) and may also include information related to services provided by such carrier(s).

COMPANY ACKNOWLEDGES RECEIPT AND UNDERSTANDING OF THIS 911 NOTICE:

Your Comcast Business Voice Services set forth in this Sales Order (the "Voice Services") have the following 911 limitations:

- In order for 911 calls to be properly directed to emergency services using the Voice Services, Customer must provide and maintain the correct service address information ("Registered Service Location") for each telephone number and extension used by Customer.
If the Voice Services are moved to, or used in, a different location without Customer providing an updated Registered Service Location, 911 calls may be directed to the wrong emergency authority, may transmit the wrong address, and/or the Voice Services (including 911) may fail altogether.
Customer is solely responsible for programming its telephone system to map each telephone number and extension to the correct location, and for updating the telephone system as necessary to reflect moves or additions of stations.
Customer 911 calls may be sent to an emergency call center where an agent will ask for the caller's name, telephone number, and location, and then will contact the local emergency authority.
The Voice Services use electrical power in the Customer's premises. If there is an electrical power outage, 911 calling may be interrupted if back-up power is not installed, fails, or is exhausted.
Calls using the Voice Services, including calls to 911, may not be completed if there is a problem with network facilities, including network congestion, network equipment and/or power failure, a broadband connection failure, or another technical problem.
Failure by Customer to make updates to the Registered Service Location, including updates to restore service address to the original Registered Service Location, or failure to allot sufficient time for the Service Location update provisioning to complete may result in emergency services being dispatched to the incorrect Service Location.
Customers should call Comcast at 800-741-4141 if they have any questions or need to update the Registered Service Location in the E911 system.

BY SIGNING BELOW, CUSTOMER ACKNOWLEDGES THAT IT HAS READ AND UNDERSTANDS THE FOREGOING 911 NOTICE AND THE 911 LIMITATIONS OF THE VOICE SERVICES.
