

# CITY OF DORAL

## Office of the City Manager

### Letter to Council

LTC No.: 005-2024

To: The Honorable Mayor and Members of the City Council

From: Kathie Brooks, Interim City Manager

Date: March 21, 2024

Subject: **School Speed Traffic Data**

The purpose of this Letter to Council (LTC) is to provide the Mayor and City Councilmembers information on the conducted school speed traffic data.

#### **Background**

As the City is in the process of awarding a vendor for the School Zone Speed Detection Services, the Public Works Department engaged Marlin Engineering, a qualified vendor from the Architectural and Engineering Services pool, to conduct an independent speed assessment of the City's school traffic zones.

The traffic data was collected at fifteen (15) schools, for a total of twenty-eight (28) school speed zone segments. This data was collected during typical school days for a consecutive 72-hour period (Tuesday to Thursday). The speed data was collected January 30 – February 1, 2024, February 13 - February 15, 2024, and February 20 - February 22, 2024. Exhibit I below provides a list of the fifteen (15) schools with the roadway segments that have posted school zones along with the posted school zone hours.

The speeds were averaged for the three days and the speeds during the arrival and dismissal school zone hours for each school were extracted, particularly the vehicles that were traveling 25 mph or over since the criteria to issue a citation with red light camera is vehicles traveling 10 mph over the

posted speed limit. Exhibits 2 and 3 provide the total number of vehicles and the number of vehicles traveling 25 mph or over during the morning arrival and afternoon dismissal times respectively.

### Exhibit I City of Doral School Speed Zone Locations

School	School Zone Hours	Location	From	To
