This Letter to Council (LTC) serves to inform the Mayor and Members of the City Council of a recent accolade received by the City of Doral. We are pleased to announce that the City of Doral has been recognized as one of the 2024 Healthiest Employers in South Florida. This prestigious accolade honors organizations that prioritize the well-being of their employees, and we are proud to be among this elite group. The Healthiest Employers® award, established in 2009, celebrates companies that invest in their employees' health and achieve success through wellness initiatives.
